

HIGHLINE PREMIER Soccer Club

Registration Fee Financial Aid Award

The HPFC Club awards multiple scholarships each season to assist players with paying their Club registration fees. This aid award will be applied directly to the player's Club registration fee and is not to be used to help pay for team fees. The financial aid award will be granted based solely on need. The HPFC Club Executive Board will review all applications and decide on the recipients no later than June 1st. Applications must be postmarked by **April 15th** to be given consideration.

If you are a recipient of a HPFC financial aid award, it is expected that the player and the player's family participate in all HPFC Club fund raising events. Failure to participate may result in rescission of the award. Please mail the completed application form to the HPFC Club Accountant at:
